Starting Feb 1, 2020, all Temporary Food Booth Permits will be categorized into two tiers. The tiers will determine which fee is required to obtain a permit.

**TIER 1**
Three or fewer foods that require time/temperature control for safety.

- **$20** fee per booth/per day if application is received more than 72 hours before an event.
- **$35** fee per booth/per day if application is received less than 72 hours before an event.

**TIER 2**
More than three foods that require time/temperature control for safety.

- **$40** fee per booth/per day if application is received more than 72 hours before an event.
- **$55** fee per booth/per day if application is received less than 72 hours before an event.

These changes do not apply to any food truck with a primary permit or secondary permit in Tooele County.

These changes don’t apply to any food booth permitted seasonally in Tooele County.

Any food booth or food truck operating at a temporary event without the proper permit may be subject to a $100 fine that must be paid within two business days.
