

Covid-19

The safety and well-being of your child is of the utmost importance to Tooele County Health Department. During the Covid-19 pandemic, safety measures will be followed while administering flu vaccines in the schools. Gloves, masks and/or face shields will be used by personnel. Social distancing between participating students will be enforced.

WAYS TO FIGHT THE FLU

- GET VACCINATED.
- COVER YOUR COUGH.
- WASH YOUR HANDS.
- STAY HOME WHEN YOU ARE SICK.
