

# The Next Chapter

The Next Chapter is a social support and educational program, helping widows and widowers adjust to the loss of their loved one. Through this program, Tooele County Aging Services hopes to reinforce a sense of belonging in our community in those who are grieving. Each month, join others who are on the same page as you and begin a new chapter in your life story. For details or to ask questions, please call 435-277-2420.
