

TOOELE COUNTY TEMPORARY FOOD BOOTH PERMIT CHANGES

Starting Feb 1, 2020, all Temporary Food Booth Permits will be categorized into two tiers. The tiers will determine which fee is required to obtain a permit.

These changes do not apply to any food truck with a primary permit or secondary permit in Tooele County.

These changes don't apply to any food booth permitted seasonally in Tooele County.

TIER 1

Three or fewer foods that require time/temperature control for safety.

\$20 fee per booth/per day if application is received more than 72 hours before an event.
or

\$35 fee per booth/per day if application is received less than 72 hours before an event.

TIER 2

More than three foods that require time/temperature control for safety.

\$40 fee per booth/per day if application is received more than 72 hours before an event.
or

\$55 fee per booth/per day if application is received less than 72 hours before an event.

Any food booth or food truck operating at a temporary event without the proper permit may be subject to a \$100 fine that must be paid within two business days.
