ON THE BACK OF THE FORM.**

Dear Tooele County Older Adults,

As we step into the month of love, we want to remind each and every one of you about the most important kind of love—the love you have for yourselves.

February is not just about Valentine's Day; it's about celebrating the beautiful individuals that you are.

In a world that often emphasizes external factors, it's crucial to take a moment to appreciate the incredible journey you've had and the wisdom you've gained over the years. Self-love is a gift that keeps on giving, and we encourage you to embrace it wholeheartedly.

Here are a few gentle reminders for cultivating self-love:

1. Reflect on Your Achievements: Take a trip down memory lane and acknowledge the accomplishments, big and small, that have shaped your life. You've overcome challenges, experienced joy, and made a lasting impact on those around you.

2. Nurture Your Passions: Whether it's a hobby, a creative pursuit, or simply spending time in nature, make sure to prioritize activities that bring you joy. Your well-being is a priority, and engaging in things you love contributes to a positive self-image.

3. Connect with Loved Ones: Reach out to friends, family, and community members. Share stories, laughter, and the wisdom that comes with age. Social connections are a powerful source of love and support.

4. Practice Gratitude: Cultivate gratitude for the moments, relationships, and experiences that have enriched your life. Gratitude opens the door to self-love by focusing on the positive aspects of your journey.

5. Celebrate Your Uniqueness: Embrace your individuality. Each wrinkle, scar, and gray hair tells a story of a life well-lived. Celebrate the beauty that comes with age and the uniqueness that sets you apart.

Remember, the love you show yourself radiates outward, enriching the lives of those around you. This February let's celebrate the wonderful individuals you are and continue to be.

Wishing you a month filled with love, laughter, and the warmth that comes from loving yourself.

Know you are loved!

With admiration,

Amy Hoftiezer

Frequently Asked Questions about Vaccines:

Are Vaccines Safe?

Yes. The United States' long-standing vaccine safety system ensures that vaccines are as safe as possible. For example, hundreds of millions of Americans have safely received seasonal flu and COVID-19 vaccines.

Do Vaccinations Cause Side Effects?

Vaccines can have side effects. But when side effects occur they are usually mild or moderate. The most common side effects are fever, tiredness, body aches, or redness, swelling and tenderness where the shot was given.

Why Should I Get Vaccinated?

Getting vaccinated is the best way to reduce the risk of getting seriously ill from these diseases. Vaccines are safe and effective—they protect you and your loved ones. Adults most at risk for getting seriously ill from these diseases are older adults, people with disabilities and people who have compromised immune systems or health conditions like asthma, diabetes or heart and lung disease.

What is the Cost?

Typically, vaccines are covered by insurance. Many vaccines are covered under Medicare. If you have questions, contact a health care professional or your local State Health Insurance Assistance Program (SHIP) to learn what vaccines are covered by Medicare.

Why is sleep so important for your mental health?

- ✓ Sleep deprivation affects your psychological state and mental health
- ✓ Those with mental health problems are more likely to have insomnia or other sleep disorders.
- ✓ Some causes of sleep disorders are illness, pain, caffeine, alcohol, certain medications
- ✓ To get better sleep, limit napping, establish a nighttime routine, avoid caffeine, turn off devices before bed
- ✓ Exercise and sunshine are linked to better sleep. So take a walk in the sun!

What's New for Medicare in 2024?

When can I change my coverage in 2024?

You may realize at some point in 2024 that you aren't happy with your coverage. Many people may have to wait until the next Fall Open Enrollment Period (Oct 15-Dec 7) to change their coverage. However, you may be eligible for the following opportunities to change your coverage earlier in 2024:

- **If you have a Medicare Advantage Plan:** During the Medicare Advantage Open Enrollment Period you can switch from your Medicare Advantage Plan to another Medicare Advantage Plan or to Original Medicare with or without a stand-alone prescription drug plan. This enrollment period is Jan 1-Mar 31. Changes made during this period are effective the first of the following month.
- **If you qualify for a Special Enrollment Period (SEP):** You may be able to make changes to your Medicare health/drug coverage depending on your circumstances. For example, you may have an SEP if you move outside of your plan's service area or if you made the wrong plan choice during Medicare's Open Enrollment Period because of misinformation you received. Call 1-800-MEDICARE to use an SEP.
- **If you have Extra Help:** You have a SEP to enroll in Part D plan or switch between plans. This SEP is available once per calendar quarter for the first three quarters of the year. If you use the Extra Help SEP to change your coverage, the change will become effective the following month.

"New" Medicare card schemes

Do you know what isn't new this year? Your Medicare card.

Medicare beneficiaries are not receiving new cards this year, but scammers may try to convince you otherwise. For example, scammers may falsely tell you that Medicare is issuing new cards - perhaps a card that is plastic or metal, or a card that has a chip in it. They may tell you the card is expiring. The scammers may tell you that for them to send your new card, you need to verify your identify, which could include your Medicare number. This is an attempt to your personal or financial information.

Who to contact

- **Contact your State Health Insurance Assistance Program (SHIP)** if you have questions about your 2024 coverage, enrollment periods, or cost assistance program. The local SHIP office can be reached at 435-277-2420.
- **Contact your Senior Medicare Patrol (SMP)** if you may have experienced Medicare fraud, errors, or abuse.
- **Contact your Medicare Advantage or Part D plan** to ask about 2024 changes to your costs or coverage.
- **Call 1-800-MEDICARE** to request another copy of your 2024 *Medicare & You* handbook.
